## FOR THE NEIGHBORHOOD ASSISTANCE ACT

Under the **Neighborhood Assistance Act (NAA)**, your contributions to Central Baptist Community Development Corporation's Eastside Career Development Center (ECDC) can qualify for the Delaware State Tax Credit!

Delaware State Housing Authority will accept our online request to reserve your 2020 Delaware state tax credits for your qualifying gifts to ECDC!

Individual gifts starting at a minimum of \$2,500 and gifts from qualified businesses for \$10,000 and higher may apply for the 50% Delaware state tax credit under the **Neighborhood Assistance Act** program. Limitations of up to \$50,000 a year per taxpayer still apply.

Tax-credit funding is still limited - and will be awarded on a first-come, first-served, basis.  
Donations may be sent to:
